## About Us

We, Aerofiber Acoustics Private Limited have greatly evolved as one of the top manufacturers, suppliers, importers, exporters and service providers of acoustic noise control products and services, since our commencement in the year 1981. We began completing the demands of our products like MagTuff Non-Insulating Sheathing Boards, FA Connector And Edge Clip, Sound Absorbing Tiles, Acoustic Ceiling, Wood Fluted Acoustic Fiber Board Panel, Softra Fiberglass Acoustic Ceiling Tiles, Softra Fabrico Wall Panel, etc., in the building sector in India, Asia, Africa, South America and the Middle East. For a long period of time, we have progressed to become a highly recognized name among designers, architects and acousticians for wall panelling, noise rated dry-wall partitions and flooring materials which are environment friendly as well as cost efficient. In addition, we ensure that all our products are tested and certified from various labs such as NPL, CBRI, NITRA, Prasar Bharti, Spectro, Shriram, UL, ARAI and SGS.

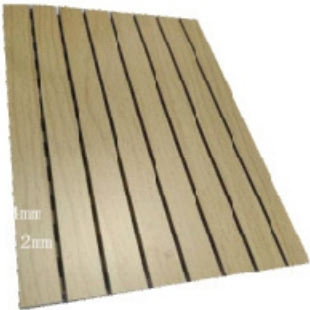

## Mission

The goal of our organization has always been to attain a leading position in the market by providing best quality products to the customers while being on the cutting edge of advanced technologies as well as innovations. In addition, we are also committed to presenting top notch construction-based products such as Wood Fluted Acoustic Fiber Board Panel, Softra Fabrico Wall Panel, MagTuff Non-Insulating Sheathing Boards, FA Connector And Edge Clip, Softra Fiberglass Acoustic Ceiling Tiles, etc., as well as services to all our clients. technologies as well as innovations. In addition, we are also committed to presenting top notch construction-based products such as **Wood Fluted Acoustic Fiber Board Panel, Softra Fabrico Wall Panel, MagTuff Non-Insulating Sheathing Boards, FA Connector And Edge Clip, Softra Fiberglass Acoustic Ceiling Tiles**, etc., as well as services to all our clients.

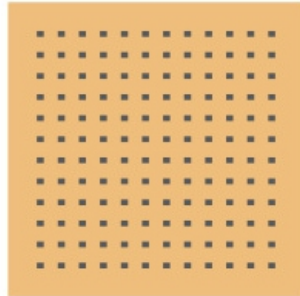

## Social Responsibility And Health Concerns

The key priority for our company is the safety & health of our clients, team and individuals participating in any particular project. We have also adopted the CSR strategies in accordance with the set industrial standards followed by ethical business values.
